Amendment to the Conclusion, Ramifications, and Scope:

This listing of the conclusion, ramifications, and scope will be partially eliminated.

Altogether 25 sheets of paper, 6 sheets of drawing

AMENDMENT – Page 19

Conclusion, Ramifications, and scope

Wheel cylinder change occasion or wheel cylinder piston cup change or vapor lock occur or caliper change and caliper flexible leaking hose change occasion, like these occasion we have to do air bleeding work from the air bleeding nipple. (ORIGINAL)

So the air bleeding nipple is frequently stuck up occasion or the vapor lock occur, we have to get trouble time occasion or the working room for moving hand for the air bleeding work is very small or can not reach easily, so like these trouble occasion, in order to save efforts and time, we use half auto air bleeding cylinder. (ORIGINAL)

This invention makes air bleeding work more easy way, so save efforts and a lot of time. (Original).

In case of jumbo air plane, can save two hours and six persons, efforts and working. (CANCELLED).

With wheel the helicopter is trying to do the air bleeding work, save a lot of trouble. and time and work. (CANCELLED)
